

Why list your home with an Agent from Platinum First Realty?

Professional—Each one of our agents is a licensed professional, with training in specialties ranging across the board from residential to commercial to land.

Knowledge—We provide our agents with top-of-the-line training to ensure they stay up-to-date on the real estate market and current trends. We know what is selling, what is not, and we have a marketing strategy to unlock your home's true value.

Confidence—With Platinum First Realty, you can have confidence in our superior service and abilities to take care of the selling, leaving you with more time to take care of the many other tasks that arise when selling your home.

Listed below are just a few websites your home will be advertised on if you list with a Platinum First agent.

One of the nation's top websites. It's essential your home is advertised on Homes.com, where millions of visitors search for their perfect homes.

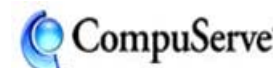

Real Estate listings on your cell phone with an optional call back feature!

Official site of the National Association of REALTORS. This site offers many tools for buyers and sellers.

Move.com is the No. 1 consumer destination for real estate related information with more than 6.5 million monthly unique users.
